

## Vice-Chancellor's International Scholarships

Newcastle University offers a large number of partial scholarship awards each year to assist international students with good qualifications to study for an undergraduate degree. The awards are available for the full duration of the student's study and will be credited to the student's fee account to reduce the overall cost of tuition fees.

### Terms and Conditions

1. To be considered for awards, applicants must have applied through UCAS to study as an undergraduate and must have been offered a place to study on their chosen degree programme at the University's Newcastle city centre campus for the 2023/24 academic year.
2. Eligible applicants will be considered automatically for awards. There will be 200 awards available for 2023/24 entry. Awards may be exhausted early in the application cycle; early programme applications are therefore encouraged.

7. To receive awards applicants must become registered students at Newcastle University in the 2023/24 academic year for a full-time, award-bearing undergraduate programme. Awards cannot be deferred to later academic years.
8. Fully sponsored students do not qualify for these awards. A fully-funded scholarship or full sponsorship covers fees and maintenance. The University reserves the right to suspend payment and recover any scholarship amounts already made to international students with full funding.
9. Scholarships will not be confirmed unless applicants satisfy all conditions related to their scholarship offer, even if they are still accepted to study at Newcastle University.
