Lowest UCAT= 10 points - equivalent to getting 1900 in 2025's scoring system
Lowest GCSE = 16 points - equivalent to getting 4 x grade 6s, and 4 x grade 7s

- Home applicants can achieve a total score of up to 100 points, made up of:
 - i. Academic score (maximum 40 points): Based on grades from most recent set of qualifications, except for those applying with an Access to HE qualification or an honours degree.
 - ii. UCAT score (maximum 60 points): Awarded based on UCAT performance.
- Widening Participation and PARTNERS students will be assessed separately from Core applicants in all parts of the selection process.
- For all international applicants and all A101 applicants, following the screen for achieved or predicted academic results, UCAT score will form the sole basis for ranking and selection for interview.
- UCAT ANZ will be accepted for applicants applying to UK, partner consortium and Australian/New Zealand consortium universities.
