

# Recognition of Prior Learning and Credit Transfer Statement

## NEWCASTLE UNIVERSITY BUSINESS SCHOOL POSTGRADUATE PROGRAMMES

### RECOGNITION OF PRIOR LEARNING (RPL) AND CREDIT TRANSFER

2024-25

#### SCOPE OF APPLICATIONS

In principle, Newcastle University Business School (NUBS) considers applications for RPL and credit transfer for all postgraduate programmes and makes this available for all modules to a maximum of 20 credits. Applicants should, however, note that their qualifications and experience will be judged on their individual merits and will take account of any accreditation requirements for specific programmes. In other words, each case will be considered on the following criteria:

- a) appropriate level of credit transfer
- b) accredited or equivalent recognition of certificated learning
- c) recognition of prior experiential learning (e.g. industry experience)

#### WHO TO APPROACH

The contact person in the first instance is the degree programme director for the programme in question. These are as follows:
