**RECOGNITION OF PRIOR LEARNING (RPL) AND CREDIT TRANSFER FOR
UNDERGRADUATE DENTAL PROGRAMMES**

2026-27

SCOPE OF APPLICATIONS

This statement covers the following Undergraduate Dental programmes:

Degree of Bachelor of Dental Surgery
Degree of Bachelor of Science Honours in Dental Therapy

The above non-modular professional degree programmes are responsible for graduating students who meet the standards of the General Dental Council. Therefore, it is not possible for these programmes to accept Recognition of Prior Learning, Recognition of Prior Experiential Learning or Credit Transfer.

Similarly, due to the differences in curriculum delivery between dental schools, applications to transfer from another dental school will not normally be considered unless there are exceptional circumstances. It is unlikely it will be possible to accredit prior learning in these circumstances.
