

SCHOOL OF PHARMACY

**RECOGNITION OF PRIOR LEARNING (RPL) AND CREDIT TRANSFER FOR
PHARMACY DEGREE PROGRAMMES**

2026-27

SCOPE OF APPLICATIONS

This statement covers the following pharmacy programme:

Master of Pharmacy with Honours (B230)

The above non-modular professional degree programme is responsible for graduating students who meet the standards of the General Pharmaceutical Council. Therefore, it is not possible for the programme to accept Recognition of Prior Learning, Recognition of Prior Experiential Learning or Credit Transfer.

Similarly, due to the differences in curriculum delivery between pharmacy schools, applications to transfer from another pharmacy school will not normally be considered unless there are exceptional circumstances. It is unlikely it will be possible to accredit prior learning in these circumstances.
