Explore your campus

Our beautiful campus is surprisingly compact and easy to get around. Explore in your own time or take a guided tour.

Campus tours

Go on a guided tour of the campus led by one of our student guides.

Collect your ticket from the marquee opposite the Students' Union (map ref 5). Tours run every 30 minutes from 9.30–3.30 and take approximately 30–45 minutes.

Explore on your own

If you don't have time for a guided tour, here are some of the main buildings and areas that you might see when you're walking to different activities.

1. King's Gate

This may be the first building you see when you arrive. It's home to our student support services such as Accommodation and Student Wellbeing. Next to King's Gate you'll find The Grand, a popular coffee stop on campus.

2. Students' Union

The Grade II listed Students' Union building is the social hub of campus. You'll find everything from societies to the student newspaper, a Co-op shop and places to eat here, including a Subway and Domino's Pizza. Tours of the building run throughout the day, or pop in and look around at your leisure.

3. Northern Stage

Opposite the Students' Union and across the lawn you'll see Northern Stage, the largest producing theatre company in the North East.

4. The Arches

The Arches is one of the most iconic parts of campus. The tower was built in 1911 in honour of King Edward VII. Look closely and you might spot his statue which still looks out over campus.

5. The Old Quadrangle

Through the Arches you'll find one of the greenest parts of our campus – the Old Quadrangle. In 1947 the Quad was turned into a formal garden dedicated to Newcastle University staff and students who died in the two World Wars. To your left is the Armstrong Building and inside you'll find King's Hall, where graduation ceremonies are held.

6. Student Forum

The Student Forum is a relaxing outdoor social space at the heart of the campus. Sit down and soak up the atmosphere under the watchful gaze of Newcastle University graduate Joseph Hillier's sculptures. Head through the Jubilee Arches and see the Martin Luther King statue, which was commissioned to mark the 50th anniversary of his visit to accept an honorary degree from Newcastle.

7. The Hatton Gallery

To the right of the Arches on King's Road you'll see the Hatton Gallery, which houses a diverse range of exhibitions and recently underwent a multi-million pound redevelopment. It also provides a platform for our Fine Art students to exhibit their work. Pop in to see the latest exhibitions.

8. Sports Centre

Sport is big at Newcastle – we're a top 10 University for sport (British Universities and Colleges rankings). We've invested £32 million in our facilities to provide you with more opportunities to take part in sport and exercise.

9. Great North Museum: Hancock

The Great North Museum: Hancock includes a range of fascinating exhibitions, from a scale replica T-Rex skeleton to mummies from Ancient Egypt. Entry is free and the University is a leading partner in the museum.

10. Philip Robinson Library

Our main University library is open 24 hours a day, seven days a week during term time, and there's also a café inside if you're ready for a break.

Where to eat

There are lots of places on campus where you can stop for a drink or a bite to eat at the Open Day. Some of the places are highlighted here and you'll find others on page 26 of this programme, and on our main University map.
